

"Tim Orth Memorial Foundation gave us an amazing gift of hope and reassurance of a community during one of the most difficult and trying times of our lives."

-LeRoy & Christine

"What a Blessing! A shining light of love, hope and encouragement so we can carry on with the journey ahead of us. Our needs have been met above and beyond what we even realized we needed. Angels on Earth!"

-James & Susan

# About the Foundation

The mission of the Tim Orth Memorial Foundation is to assist, financially or otherwise, children (birth to age 18) in the West Central Minnesota area who are facing substantial medical expenses incurred as a result of a serious accident or illness. Tim Orth, the Foundation's name sake, was a BOLD High School student and athlete when he was diagnosed with an inoperable brain tumor. Tim will always be remembered for his courageous fight against the cancer that claimed his life on February 14, 1997.

The first event was held upon learning of Tim's illness. The success of the 1996 fundraiser combined with the realization that there were other children in need, prompted Bill and Janelle Neubauer to form the non-profit foundation. The name chosen for the Foundation was the Tim Orth Memorial Foundation, in honor of Tim, who had inspired the first fundraiser.

The Foundation is an all-volunteer organization that sponsors multiple fundraisers throughout West Central Minnesota. The volunteers invest countless hours organizing, soliciting and conducting the events. Because of this, there are no administrative costs; ensuring that 100% of the proceeds are used to help the selected recipients.

Financial assistance is given to families with children who are fighting to overcome difficult challenges brought on by illness or accident.

These challenges have included complications due to cancer, brain injury, automobile accidents, premature birth and numerous other diagnoses we cannot even pronounce. The financial assistance, as well as, the emotional support given, is helping to reduce the daily challenges these kids and their families must endure. Please consider making a donation and becoming a part of this great cause.

## Together We Can Make a Difference

While the financial donations can not guarantee miracles, they do provide hope for the recipients' families. Please consider making a donation and be a part of helping us continue our mission for years to come.

"The donation and support from the Tim Orth Memorial Foundation helped Paige and our family beyond words through all of her medical needs. Bill, Janelle and the Committee are awesome. Thank You!"

**-Steve & Sue**

"It takes a lot of financial stress off of us knowing we are getting help paying for expenses. It has also been a wonderful support knowing so many people care for us and are lifting up our son in prayer."
